Itinerary

Day 1

Juneau

Set off for Mendenhall Glacier and tour the Visitors Center exhibits and trails. Then sightsee downtown Juneau for independent exploration or an optional excursion. Ride the tram to the top of Mount Roberts where high alpine trails offer dazzling views—your ticket is included!

Day 2

Glacier Bay

Cruise up close to the face of one tidewater glacier after another in this renowned World Heritage Site. Hear “white thunder” as an iceberg “calves” and then splashes into the bay. We’ll immerse you in the True Alaska as a Glacier Bay National Park Service Ranger leads on board enrichment and a Native interpretive naturalist shares Tlingit ties to this astounding Alaskan treasure.

Day 3

Sitka

Spend time exploring Sitka’s popular attractions: totem poles at Sitka National Historical Park, Russian Bishops house, St. Michaels Cathedral, NaKaHikdi dancers and Castle Hill. Transfer to the airport is included.
