Spirit of Endeavour

## YOUR FLOATING HOME

The *Spirit of Endeavour* is one of Cruise West's most versatile vessels, allowing for maximum flexibility while en route.

The decor is sleek, stylish, and quietly elegant with light wood accents. The Explorer Lounge features expansive picture windows, a video and lending library, plus cozy banquettes and conversation circles for getting to know your fellow travelers.

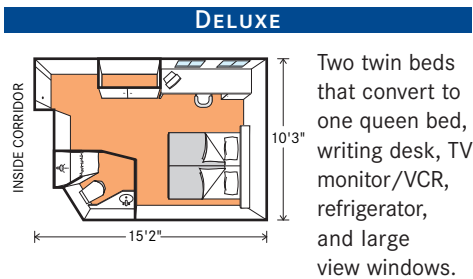

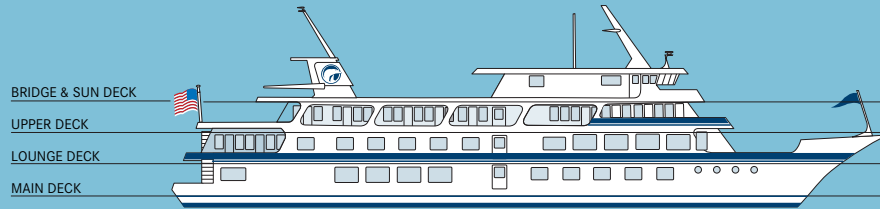

Every stateroom features a large view window or porthole, private facilities, and a TV monitor/VCR. And when it's time to go outside, guests enjoy ample fresh air space on three decks.

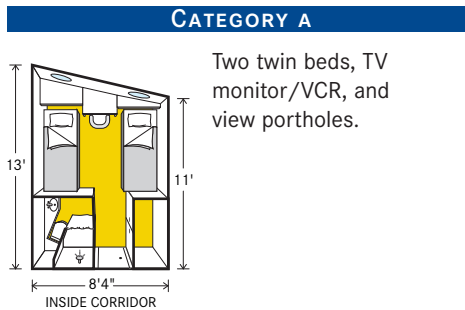

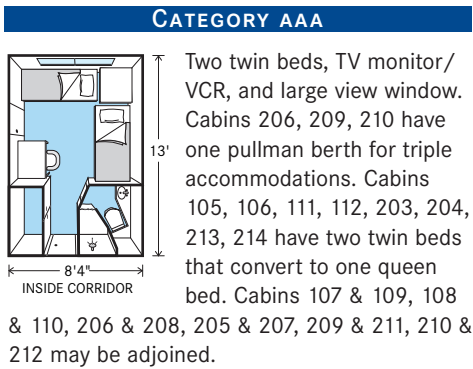

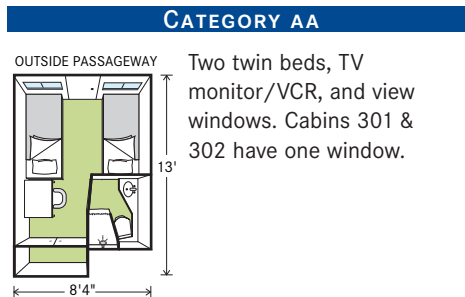

Inviting accommodations for Category AAA staterooms feature plenty of room, and large view windows.

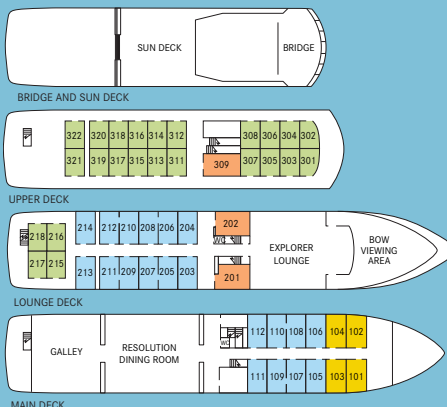

Deluxe staterooms offer a comfortable place to relax and plan tomorrow's activities.

Cabins 201 and 202 have one pullman berth for triple accommodations.
