

Meet the Fleet: Spirit of Yorktown

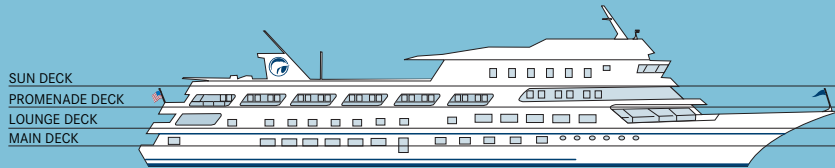

She's Roomy and Relaxing

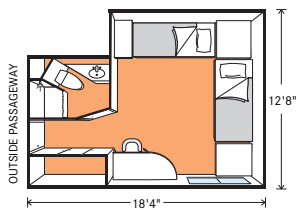

Spirit of Yorktown

OUR BIGGEST SMALL SHIP
Measuring 257 feet long, 43 feet wide, and with a draft of just eight feet, the *Spirit of Yorktown* offers unique itineraries only U.S. flagged ships can do.

A platform allows guests to swim right off the side of the ship. Dine in casual, intimate, open-seating comfort while never missing the scenery through large picture windows. Exceptional American cuisine is healthful and nutritious, influenced by regional culinary traditions and prepared freshly to order. An onboard naturalist and historian explain and recap each day's events in informal talks.
